Rabbi Admits Jews Want To Exterminate Germany And Gentile Nations

The Jews are openly planning to physically exterminate the Gentiles of the world including the White Race as part of their alien ideology of conquest of this planet as Rabbi Laitman stated as well in his famous lecture to the entire nation of Israel. This is yet again as you mention more evidence the Jews are working to destroy the German's and other Europeans as part of this. The EU was created and is run by the Rothchild's and Warburg Jewish dynasties who are part of ultra Jewish groups like Chabad. And part of the Messianic movement of Jews to conquer the world going back to the time of Rabbi Frank and his Messianic movement for Jewish world government that got the Rothchild's and Warburg's started as part of this movement. The Rothchild's call themselves the Messianic Jewish rulers in their own writings. Which means they are attempting to bring about the One World Jewish Order that is why they had their puppet President Bush sign the Nohide laws into effect in 1991. America is the world empire and the Israeli press states Jews run America. The star of David is on the one dollar bill. This is also why the Jews are spying on everyone they are massing lists of all Gentile dissent so if they get their Totalitarian government they are going to do like they did when they took over Russia declare anti-Semitism the death penalty and arrest everyone on those lists and execute them all and their families.

Also note this Rabbi is talking about the Book of Revelations as well a Jewish text that ties into the Book of Daniel in which the nations of the Gentiles are destroyed and the remaining Gentiles are ruled as slaves who are ruled by the Jews with a rod of iron and have to lick the dust from the soles of the Jews feet. The Rabbi is openly admitting the entire Bible is a Jewish occult warfare text against the Gentiles. To bring about the World Jewish Government.

But even the best of the Goyim slaves to them the Torah tells them....."Kill the best of the Gentiles" anyway. The Rabbi's also debate on if they are going to slaughter all the Gentiles.

So the only way out is for everyone here to keep up the Final RTR and use the internet to get the word out. We are already up against the wall the only way out is foreword. The cowards who run away are still on that list of the Jews anyway.

**Jack The GOOD guy wrote:**I just stumbled upon this video by accident and suddenly realized this is the real shit. I instantly uploaded it to the internet archive so it doesn't get taken Down. Here the rabbi talks about how German whites and whites around the world are the Amalek that the Jews are supposed to annihilate them all.
